The Journal of Nutrition Education and Behavior (JNEB), the official journal of the Society for Nutrition Education, is a refereed, scientific periodical that serves as a resource for all professionals with an interest in nutrition education and dietary/physical activity behaviors. The purpose of JNEB is to document and disseminate original research, emerging issues and practices relevant to nutrition education and behavior worldwide.

The Journal of Nutrition Education and Behavior welcomes evidence-based manuscripts that provide new insights and useful findings related to nutrition education research, practice and policy. The content areas of JNEB reflect the diverse interests of health, nutrition, education, Cooperative Extension and other professionals working in areas related to nutrition education and behavior. As the Society’s official journal, JNEB also includes occasional policy statements, issue perspectives, and member communications. See Guidelines for Authors at www.jneb.org.
