Aims & Scope

The *Journal of Nutrition Education and Behavior (JNEB)*, the official journal of the Society for Nutrition Education, is a refereed, scientific periodical that serves as a resource for all professionals with an interest in nutrition education and dietary/physical activity behaviors. The purpose of *JNEB* is to document and disseminate original research, emerging issues and practices related to nutrition education and behavior worldwide.

The *Journal of Nutrition Education and Behavior* welcomes evidence-based manuscripts that provide new insights and useful findings related to nutrition education research, practice and policy. The content areas of *JNEB* reflect the diverse interests of health, nutrition, education, Cooperative Extension and other professionals working in areas related to nutrition education and behavior. As the Society's official journal, *JNEB* also includes occasional policy statements, issue perspectives, and member communications. See Guidelines for Authors at www.jneb.org.
