Corrigendum

The January 2019 issue of the Journal of Nutrition Education and Behavior carried a Research Article titled “Fruit and Vegetable Preferences and Practices May Hinder Participation in Community-Supported Agriculture Among Low-Income Rural Families” (J Nutr Educ Behav. 2019;51:57-67; https://doi.org/10.1016/j.jneb.2018.08.006). The Acknowledgments section was incomplete and should have included “Research reported in this publication was supported by the National Institutes of Health under award T32-DK007158. The content is solely the responsibility of the authors and does not necessarily represent the official views of the National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK) or the National Institutes of Health.” The authors regret this error.

Erratum

The March 2019 iCook supplement issue of the Journal of Nutrition Education and Behavior carried a New Resources for Nutrition Educators article titled “iCook 4-H: Cooking, Eating, & Playing Together [New Resources for Nutrition Educators]” (J Nutr Educ Behav. 2019;51(3S):S69-S70; https://doi.org/10.1016/j.jneb.2019.01.015). In the quote from the publisher at the beginning of the article, “82-hour sessions” should read “eight 2-hour sessions.” The Table of Contents listing for this article also omitted 2 editors of the curriculum and the line should read “A. A. White, L. Franzen-Castle, K. K. Kattelmann, M. D. Olfert, S. E. Colby, editors.” These have been corrected in the online version.
