

JNEB: Call for Papers in Nutrition Education Technology

With the recently expanded scope of *Journal of Nutrition Education and Behavior* (JNEB), we are planning a special issue devoted to nutrition education technology.

Topics include but are not limited to interventions using mobile learning or web-based education, cross-sectional studies of technology use in nutrition education and behavior, and novel uses of technology in the scholarship of learning. All article types normally published in JNEB will be considered. For information on manuscript preparation, visit our guide for authors (<http://www.jneb.org/content/authorinfo>).

Manuscripts should be submitted through JNEB's peer-review system (<http://ees.elsevier.com/jneb/>) by **February 15, 2017**.

Questions should be directed to the Editor-in-Chief,
Karen Chapman-Novakofski, PhD, RDN, at editor@jneb.org.
